LG Hotel TV works with Google Cast

Enjoy quick access to your personal devices with a convenient QR code on LG Hotel TV for streaming your favorite shows on the big screen, and experience secure checkout with automatic clearing of personal information for peace of mind. Plus, with persisted pairing, connect your devices once and stay linked throughout your entire stay!

* Google Cast is a trademark of Google LLC.

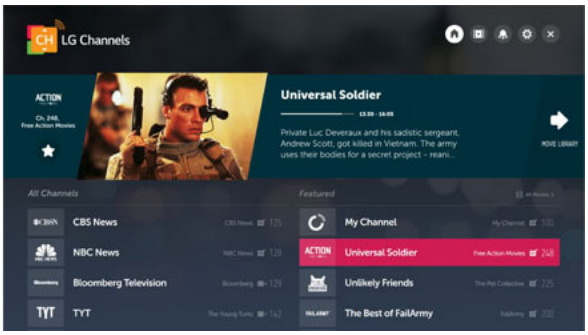
Works with AirPlay

With Apple AirPlay, guests can stream content to LG Pro:CentricSmart Hotel TVs, right from their iPhone or iPad, whether it's to watch movies and shows from their favorite apps or share what's on their Apple devices, including photos, personal videos, games and more. Guests simply scan a unique, on-screen QR code after check-in, to privately and securely pair their iPhone or iPad directly to the TV in the room for the duration of their stay.

Netflix at Your Fingertips

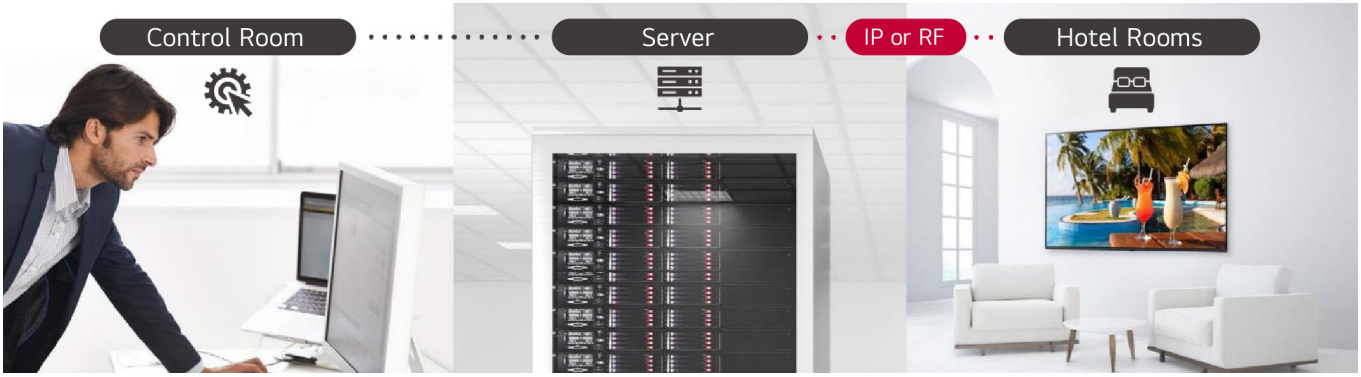
Experience a wide variety of video content from Netflix and other embedded applications on UK660H with Pro:Centric Solution. Enjoy the comfort of your room and a streaming service that offers thousands of selections.

* Netflix membership required.



LG Channels - No cost. No contract. No cables.

Plus, no extra hardware, no login, no subscription, and no hidden fees. With its carefully curated lineup of over 300 live channels, movies and TV shows, LG Channels allows your guests to easily search, discover, and enjoy their favorite content old and new.



Pro:Centric Direct

The Pro:Centric Direct hotel content management solution offers simple editing tools, making it easy to perform service and IP network-based remote management with a single click. Pro:Centric Direct enables users to customize their interface easily and efficiently manage all TVs in the facility. The most recent version provides IoT-based in-room control as well as voice control through LG Natural Language Processing.*.

* Some non-LG equipment may be needed for certain IoT applications. Some features may not be supported on all Pro:Centric Direct versions. Magic Motion Remote required for voice control.

Slim Depth for a Sleek Look

With a slim design, the UK660H series integrates smoothly into the interiors, delivering a modern impression to guests.
