Superior visual experience

39.7" 5K2K Resolution(5120x2160) | IPS Black Panel | DCI-P3 99% | 450cd/m² | 2000:1 Contrast Ratio

Behold a 39.7-inch display that boasts 5K2K resolution display with VESA DisplayHDR 600 that produces extraordinary vibrant colors with stunning clarity for optimal results. Widen your view even further with its IPS Black Panel and enjoy hyper realistic detail with DCI-P3 99% and detailed black expression even in the darkest scenes thanks to its 2000:1 contrast ratio.

Centralized Performance, Simplified by Thunderbolt™ 5

Various connectivity : Thunderbolt™ 5 (PD Up to 96W) | Multi-Port (HDMI, USB Type-C®, DisplayPort) | RJ-45

Seamless usability : PBP/PIP | KVM switch | Auto Input Switch | Daisy Chain | LG Switch APP

Jumpstart your workflow with Thunderbolt™ 5 - the ultimate single-cable solution that enables superfast data transfer, high-resolution screen output, and up to 96W of power delivery. Supporting multi-port connectivity, it simplifies your setup while powering multiple devices and displays through one cable, eliminating the need for separate chargers or docks. Designed for multitasking, 40WT95UF supports an intuitive Daisy Chain setup along with PBP and PIP functionality. This lets you easily connect, organize, and control multiple devices and displays simultaneously, maximizing efficiency across your entire workspace.

Clarity Without Compromise

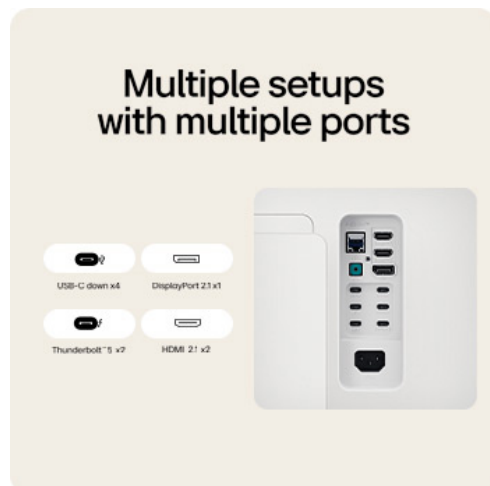

Anti-Glare Panel | TUV Eye Comfort 5.0 | Reader Mode | Flicker Safe | 120Hz Refresh Rate | AMD FreeSync Premium

LG business monitors are designed with features that support a more comfortable viewing experience for staff during extended use. LG's TUV Eye Comfort 5-Star certification recognizes performance against widely used criteria for eye comfort. The Anti-Glare coating is intended to reduce reflections and provide smoother on-screen imaging, helping maintain clear visibility in a variety of lighting conditions. In addition, Reader Mode and Flicker Safe functions are designed to enhance display readability and promote a more visually comfortable environment for teams who spend long hours at their screens.
